

Moor & Coast - Whitby
Temporary Campsite 2012
Whitby Community College
Site Information

General Information

Open to public **12 noon** Friday 17th August till 2.00pm Saturday 25th August 2012.

No Dogs or Pets Allowed on site

Wet weather conditions can cause a problem but the college staff will make every effort to accommodate our campers. Please be advised by them if weather is wet.

Car Parking and Pitches you may park your vehicle next to your tent or caravan, but please leave a gap of **TEN FEET (3 Metres)** between your pitch (and Car) and the next. There is plenty of room on the site. Please pitch your tent/camper/caravan in line with the next. It is much easier for the stewards to keep watch on lines of pitches than encampments...

It may be easier for you to leave your car on site and walk into town. A footpath at the rear of the college brings you out almost in the town centre. Parking in Whitby is limited and car parks can prove expensive. Vehicle movement at night must be restricted. Please keep noise down to a minimum when moving around the site especially after dark and returning late at night.

We would like to keep the site **friendly but quiet...**

Pitch Markers must be displayed in your vehicle. On arrival you will be given a coloured pitch marker (refundable deposit £1), which denotes your pitch number. Pitches are not marked on the field and you may pitch where you wish with the agreement of the campsite steward.

Departures pitches must be **vacated by 11.00am** of the day of your leaving. Please hand in your pitch marker and reclaim your £1 deposit. You may be able to park on site after packing away, but please tell the stewards of your intentions **before 11.00am**.

Awnings are allowed at no extra cost.

Water, Showers & Toilets

Fresh Water Tap can be found on the outside wall of the Gym. Toilets can be found in the sports hall and in the entrance to the gym.

Gym showers are open from 8.00am till 9.00pm. Sports Hall Showers/Toilets open 8.00am till 8.00pm.

The gym toilets to remain open 24 hrs. Caravan toilets can be emptied, with care, in the disposal point by the Gym.

Fire Regulations must be followed. **No Open Fires** at any time. BBQ's must be off the floor and of a recognised design. Open flames must not be used in tents or fabric awnings.

Stewards are there to help with advice about the site. They will keep watch over the site but are not security personnel. They, the Community College or Moor & Coast Festival are not responsible for the loss or damage of any item brought onto the campsite or any personal injury suffered.

We hope you have a great time in Whitby and look forward to seeing you again...
